## Trip East Profitable For Little Bow Museum

ALBERTA OR BUST. Commodore Allen took a trip east in time to catch the opening of Expo April 28 and wound up bringing a load of Canadiana back with him. The above outfit was purchased by the local auctioneer during a tour of Ontario farm sales and includes a trailer and oversized panel truck full of early cutters, wagons and pioneer artifacts. Apparently many farms in Ontario have been in the same family ownership for many generations and nothing is thrown away. Furnishings and utensils are stored for years until finally all are disposed of at an auction sale. The drum of a turnip planter can be seen above.

A special prize is a cutter still bearing the label "McLaughlin." McLaughlin was the man, still living, whose carriage and cutter factory developed into the old McLaughlin Buick and later was the foundation for the General Motors Corporation.

It was while he was visiting one of his sons, Billy who farms in Ontario, that he came on this material for his Little Bow Pioneer Museum and he wired his other son Bobby who took daughter Rhonda down to drive the outfit home.

Expo was a great thrill to Commodore although he was

walked almost to a standstill in an effort to cover as much as possible. The Monorail trip gave the group a general look at the sprawling exhibits and an opportunity to pick out specific points to cover more closely. The visitors were pleasantly surprised at the effort their French Canadian hosts made to help them in any way possible. One Montrealeur walked them four blocks out of his way to direct them to their hotel and in another case a family worked over Commodore's request among themselves until they were able to understand him.

With Commodore above is granddaughter Rhonda.

## Luncheon and Supper

## Caravan Personnel Enjoyed Hospitality on Day Off

Personnel of the Confederation Caravan were the guests of honor at a noon luncheon prepared and served by the members of Cloverleaf Rebekah Lodge on Tuesday, May 23. Representing the Town of Vulcan were Allan McAskie, centennial committee chairman; Wally Taylor of the Chamber of Commerce; Mayor G. C. Ness and councillors George Richardson and John Wolfe.

At 6:30 p.m. the same day, the Lionettes prepared and served supper for the Caravan crew.

Entertainment was provided by Mrs. Barbara Hwozdecki of Carmangay with a vocal solo, accompanied by Mrs. Lenora Baldwin; a number of vocal selections by Mrs. Baldwin's daughters, accompanied by Gerald Muehler; prize selections by Miss Sandra Krizanowski. Some of the Caravan crew sang a selection they had composed themselves, dealing with life on a Caravan, and another original song, written by Caravan advance man Ron Sweet, was sung by the author.

It was a "fun" evening for the Caravan personnel on their weekly day off work. Caravan manager Alex Jamison thanked all those who had contributed to making the Caravan's stay in Vulcan so pleasant, saying that they would always remember Vulcan, and the other towns visited on their tour will find it difficult to reach the standard of hospitality enjoyed here.

Mrs. Hwozdecki, entertainment co-ordinator for Caravan Day, was presented with an engraved tray and Mrs. Baldwin, accompanist, with a bouquet of flowers in appreciation of the work they had done to help make the Centennial Celebration a success. The presentations were made by Allan McAskie on behalf of the Vulcan District Chamber of Commerce.

Several members of the Caravan crew enjoyed a round of golf during the day and others later visited Little Bow Park. It was a day of relaxation after a heavy schedule of travel.

## Here Since 1910, Dale Campbell Dies May 17

A pioneer resident of Vulcan, Forest Dale Campbell, aged 70, died on Saturday, May 27, 1967. Born at Washington, Iowa, he came to this district in 1910 and had resided here since that time. A veteran of the First World War, he was a member of the American and Canadian Legions.

He was predeceased by his first wife, Urda, in 1936 and by his second wife, Agnes, in 1965. A daughter, Catherine, died in 1933; another daughter, Evelyn, died in 1938, and a son, Charles, died in 1954. Surviving are a daughter-in-law, Mrs. Mervin (Verna) Caruthers, Ensign, and grandchildren Douglas, Rae and Cheryl.

Services were conducted by Rev. R. J. Pelham at the Vulcan United Church on Wednesday, May 31. Honorary pall bearers were Caryl Jordan, Ed Kehr, Walter Steiner, Milt Ward, Bill Burgess and Don Marshman. Active pall bearers were Stu Joiner, Harry Stoddard, Horst Thiering, Bob Petrosky, Bert Daniels and Bill McMullen. The Vulcan Funeral Home was

## New Course In First Aid To Start June 5

The next regular monthly meeting of the Vulcan Nursing and First Aid Division No. 499 of the St. John Ambulance Brigade will be held Monday night, June 5, at the Vulcan Fire Hall. This group has completed a home nursing course and this meeting will see the commencement of instruction on First Aid, which will be continued at meetings the first Monday of each month, with an exam before the end of the year. In addition to existing Division members, these meetings and the course are open to all seniors in the County of Vulcan, whether or not they have had previous instruction.

This combined Nursing and First Aid Division is the first of its kind in Canada and received its charter last December. Turner Valley-Millerville have since formed a similar unit. Purpose of the Division is to render service at public gatherings, instruct on home nursing and first aid, and to generally co-ordinate and promote the work of St. John Ambulance in the county.

Some years ago the complaint of St. John Ambulance personnel in this area was the lack of opportunity for practical work. This has been overcome by attendance at various sports meets, at the Calgary Stampede parade and at the Lake McGregor race meet. This year the members of the Vulcan Division have been asked to take a day or two at the grounds during the Calgary Stampede and, although not definite, the Vulcan group may be in attendance on Monday, July 10.

In charge of arrangements and interment was in the Vulcan cemetery.

## School Supt. Attending Special Course At Banff

E. F. Bardock, Superintendent of Schools for the County of Vulcan, is one of 70 senior supervisory officials selected from all across Canada who are attending the Canadian Education Association's 1967 short course in Educational Leadership. The course, running from May 22 to June 2, is being held at the Banff School of Fine Arts, University of Alberta, and course director is Dr. E. D. Hodgson, professor of the Department of Educational Administration, Faculty of Education, at the University of Alberta, Edmonton.

Purpose of the course is to provide an opportunity for further exploration of problems in educational administration and supervision, to provide members with an opportunity of gaining further understanding of leadership philosophies and techniques and to stimulate the intercommunication of educational ideas and practices between widely separated areas in Canada.

## Centennial Choir To Perform At Carmangay

The County of Vulcan Centennial Choir is to perform in the Carmangay School auditorium on Saturday, June 3 at 8:00 p.m. Any choir members needing transportation please contact Ray Wellman or Dick Hamner.

Miss Dawn Higgins, dancing instructor of Lethbridge, will be performing along with some of her pupils. The male quartet will also be appearing along with Don Malory of Kirkcaldy on the organ.

## Fire Department Members Assist At Centennial

Contributing to the success of Centennial Day at Vulcan, members of the Vulcan Fire Department guided traffic into and out of the school grounds site of the Centennial Caravan and were also on call for first aid duties.

On Wednesday, when the Caravan left Vulcan, Vulcan Fire Chief Bob Johnston had the honor of driving the Caravan's fire-fighting unit to Taber.

## Safe Driving Awards Presented

Larry C. Mitchell, local agent for Canadian Western Natural Gas Company Limited at Vulcan, and his assistant, Elmer G. Wolochaty, were presented with safe driving awards at the company's annual safety dinner held in Lethbridge recently.

Both Mr. Mitchell and Mr. Wolochaty received an award for eight years of driving without an accident.

Awards representing 370 years of safe driving were presented at the dinner to 53 drivers from Lethbridge and Lethbridge District towns.

Surface temperature of the sun averages 10,000 degrees Fahrenheit.

## County To Co-operate

## Will Make Improvements At Jointly-owned Park

Wyndham Park, located adjacent to the Bow River and owned jointly by the County of Vulcan and the County of Wheatland, will be improved this year by the construction of a rodeo arena and gymkhana grounds, fencing of the existing baseball diamond and the construction of restroom facilities.

A delegation of ratepayers from the northwestern part of the County interviewed the County Council at the regular meeting held May 12, asking that these improvements, which have been endorsed by the County of Wheatland, be made. Total cost is estimated to be \$1400. Council agreed to support this park improvement project and share equally with the County of Wheatland in the estimated cost.

A letter from the Superintendent of Canadian Pacific Railway, Lethbridge, outlining the procedure to be followed in the construction of a crossing E/SE 16-20-25-4 at Mile 52.34 on the Lomond Subdivision, was read. It was noted that the company and the Board of Transport Commissioners had approved the crossing provided the County of Vulcan would bear the cost of construction and future maintenance. It was felt that, in view of the fact that this crossing was on a regular road allowance, the company should bear the cost of construction, but it was not possible to obtain the company's consent to this. The matter of the crossing, therefore, was tabled for the present.

It was moved and carried that the application of Mrs. Lorraine Povey, to operate a beauty parlour at her residence in Mossleigh, be recommended.

The secretary-treasurer read a letter from the Village of Carmangay in respect to cemetery grants. The letter drew attention to the fact that the cemetery at Carmangay was in need of extensive repair and that the village had been advised by the government that there was no provincial program to make grants to individual cemeteries. The village asked that the County of Vulcan subscribe to the repairing of the Carmangay Cemetery. After discussing this matter for some time, and noting that there were a large number of cemeteries in the county which needed repair, the councillors felt that the county council could not enter into a program to provide funds for this purpose at this time, and the secretary was instructed to write the Village of Carmangay advising that the county has no policy in force to make grants of this nature.

The secretary-treasurer read a letter from Farm Electric Services Ltd. in respect to REA extensions in the Milo and Vulcan areas. It was moved and carried that the extensions be approved.

B. M. (Pete) Stokes, Mayor of the Village of Lomond, accompanied by a ratepayer, was pre-

sent and interviewed the council in respect to the condition of the road running through the main street of the Village of Lomond. It was noted that the southern part of the street was very badly cut up with mud holes and it was practically impossible to travel into the town. Mr. Stokes argued quite forcefully that the County of Vulcan should keep this road in repair as it was used by the people other than the residents of the Village of Lomond. This view, however, was not accepted by the councillors, who felt that the Village of Lomond should bear the cost of maintaining its streets, and offered to assist the village by making gravel available to it at the regular price of \$1.00 per cubic yard. The matter was disposed of by authorizing the sale of crushed gravel from stockpiles close to Lomond to the village at \$1.00 per cubic yard loaded.

Mr. Haga reported in respect to the Municipal Committee's activities during the month. The principal item of the report was the application to the Department of Highways for the usual highways grant work agreement. Mr. Haga also advised that it was anticipated that the regular highway grant this year would be approximately the same as last year, about \$140,000, and that the contingency grant would be \$75,000. He also referred to the matter of the project to straighten the road south of Arrowwood and told the council of the problems encountered with the large amount of rock which would have to be moved and, as a result, the committee was making application to have an alternate site recommended.

The on-again, off-again seeding operations in Southern Alberta received another setback this week when, starting Monday night and continuing all day Tuesday, about one inch of rain fell in this part of the province.

## Blackie Students Return From Trip To Expo

Wednesday afternoon the Calgary Airport was re-invaded by Blackie and district parents and friends of the Blackie High School group, who were there to greet the students on their return trip from Expo 67.

Tuesday, May 16, over 90 students and chaperones boarded a chartered Pacific Western plane to Montreal. The group spent a full and most interesting week. They were guests at the Elmville camp. Besides their visits to the Expo grounds and pavilions the group enjoyed a side trip to Ottawa where they visited parliament in session and met and visited with Mr. Diefenbaker.

Another side trip was to visit rural Quebec. At Cowensville the students met and were entertained by the French-speaking students of L'Ecole St. Leno. Each Blackie student was a guest at a French home for lunch. Following an exchange of souvenirs the guests signed "The Golden Book."

Earlier this spring Donald took part in the Calgary Musical Festival and was to have received his awards at the Saturday Awards Night program but was unable to leave his home because of the blizzard.

He won the Christopher Robin School Scholarship in folk singing in his class for boys and girls with a mark of 88. He also tied for the Eileen Higgin trophy. It is the ambition of this talented 17-year-old local singer to pursue a musical career following school graduation.

## Donald Hansen To Join Choir For Workshop

An interesting musical two weeks is lined up for Donald Hansen at the end of June. From D. Peterkin, Supervisor of Music in the Department of Extension has come an invitation to take part in a Workshop Choral at Calgary from June 29 to July 15. He will sing in the choir that is used in instructional training for choir leaders.

## PIKE DERBY

The annual Junior Pike Derby of the Vulcan and District Fish and Game Association is to be held this Sunday and offers other members of the family a picnic during the day at Lake McGregor.

This year the derby is for one day only and fishing will be east of Jack Koe's farm. Youngsters 16 and under are eligible and angling is from daylight to 5 p.m.

The beauty of the world has two edges, one of laughter, one of anguish, cutting the heart asunder. —Virginia Woolf.

## Golf Dance, Green Grass... Summer

The Vulcan Golf Club annual dance slated for Friday, June 2, 3 margin. Scores for the 18-hole has been postponed one week to Friday, June 9, due to the many members still busy with seeding operations. The popular Ray Morice band from Calgary will supply the music and it is hoped that the week's postponement will assure an excellent crowd for June 9.

Ray Wellman and Glen Gorbous successfully defended their hold on the Foothills Challenge Trophy on Sunday, May 28, when they won over Wally Thrun and Don

Djuve of High River by a 4 and 3 margin. Scores for the 18-hole best ball match were Ray Wellman with a four under par 6, Glen Gorbous a 71, Don Djuve 71 and Wally Thrun 72. This is the third summer Ray and Glen have held the trophy, losing it only briefly last summer to Ken Reid and Dan Watson.

All ladies interested in golfing are reminded that each and every Monday through the season the ladies club hope to have a luncheon at 1:00 p.m., with golf activity to follow. The ladies have a very

active club and good turnouts for these Monday get togethers will guarantee a successful season.

The Vulcan Golf Club Men's League got underway on Tuesday, May 23, with a full turnout; although some teams had to put a little pressure on some members to attend. Once the farmers have time to relax there is no doubt there will be more than enough turn out each Tuesday, as this affair gets more interesting each year.

Vulcan's annual golf tourna-

ment is quickly approaching as this year it is slated for June 18.

With Saturday night store closing, the Vulcan Golf Club hopes to take advantage of Saturday evenings for golf entertainment. Plans are to have mixed golf each Saturday evening, with 2-ball matches the next and 4-ball matches the next and hoping that everyone turning out will participate. It will also be instruction night for any new golfers, and also the executive plan clubhouse entertainment; so keep Saturday evening open for golf.

## District News

### DINTON

The Blackie High School pupils returned May 24 after a very eventful trip to Expo. All the district young people who went, report an exceptionally good and busy time. Some enjoyed it so much, they are even talking of making a return trip before the fair closes.

Field work was brought to an abrupt halt early Thursday morning, May 25 when over an inch of soft snow fell. With seeding not quite half finished, this storm was less than welcome. However a bright feature is that it will be good for the grass.

Sunday visitors, May 21 at the home of Mr. and Mrs. Alvin Montgomery were Mrs. Montgomery's sister Mrs. Frank Gordon and two children of Calgary; her niece, Miss Arlene Grant of Devon, Alta., and her grandfather J. H. St. Clair, formerly of Vallejo, Calif., who is now in his 90's and still enjoying good health.

Congratulations to Mr. and Mrs. Walter Hubarewich on the birth of a daughter, May 25 in Calgary. Congratulations also to grandparents Mr. and Mrs. Rod Johnston who are looking after the older Hubarewich children while their mother is in hospital.

A common lament of farm wives in the district is the lateness of their gardens. While one or two have their gardens planted, many have gardens which were so slow in drying up after the late winter snows they have not yet been worked down sufficiently for planting.

**W.I. ANNUAL CONFERENCE**  
Dinton WI was the hostess branch for the annual conference of Calgary-Oktoks WI Constituency held in Blackie Hall on Wednesday, May 24. In spite of the busy season, there was a surprisingly good attendance, and the conference as a whole, was a great success. Centennial costume was the order of the day and most of the ladies present were appropriately dressed.

Dinton WI is to be congratulated on winning first place in the handicraft competition with 632 points. Congratulations also to Mrs. Rod Johnston for highest individual total, with 141 points, and Mrs. Herb McWilliams in third place with 115 points. Of the 15 articles which Mrs. Johnston entered for competition, she received 13 firsts.

The Blackie Ladies' Community Club catered for the occasion and served a lovely hot turkey dinner.

### BARN STRUCK BY LIGHTING

Marvin Sultor had the misfortune to lose his barn by fire early Thursday morning. In the sharp electrical storm which preceded the snowstorm, his barn was struck by lightning, and the whole east side was immediately ablaze.

Close neighbors rallied to help, but the real factor which prevented the fire from spreading to the house and other buildings was the heavy downpour of rain. About all that was saved from the barn was the refrigerator for the milking unit and Marvin's saddle. Fortunately there was no livestock inside.

This was a relatively new barn and a good deal of remodelling had been done on it. It had been equipped with lightning rods and all ground wires were in good order.

### BERRYWATER

After a few weeks spent at home, Miss Barbara Budd has returned to Calgary where she has accepted a position as computer programmer on the staff of Mobile Oil of Canada.

Mrs. Len Marshall of Calgary spent a couple of days visiting at the home of Warden Budd.

Mrs. Margaret Richardson accompanied by Mrs. Lorna Gerding were business visitors to Calgary last Tuesday.

Mr. and Mrs. Ralph Richardson were Lethbridge visitors over the weekend. Their children spent the weekend in Lomond at the home of Mr. and Mrs. Pete Ruppert and Mr. and Mrs. Leonard Chase.

Mr. and Mrs. Stan Wickstrom and family were in Calgary Friday evening.

Visitors at the home of Mrs. Webber Sr. on Sunday were Mr.

and Mrs. W. F. Jarvis of Lethbridge and Mr. and Mrs. T. B. Webber and family and their guest, Mr. Davidson of Milo. Mr. and Mrs. W. Jarvis will spend several days at the home of their daughter and son-in-law, Mr. and Mrs. T. B. Webber.

Beverly Budd and Carolyn Webber took part in the South-Central Alberta Sport Meet held in High River on Saturday. Beverly Budd came in first in the high jump and second in the relay race. Carolyn Webber came second in the broad jump and second also in the relay race.

JOHN COX

### You are invited . . .

to visit the Vulcan Pharmacy or Mitchell's Pharmacy at any time on Thursday and Friday, June 8-9 and see Mr. Cox demonstrate the proper use of various types and makes of cosmetics.

He will be pleased to answer all questions and give you personal advice on the cosmetics best suited to your skin and how to apply them — and there is absolutely no charge for his personal advice.

### SILK OF INTIMATE

BY REVLO

### THE FIRST FULL-LENGTH FRAGRANCE

Silk of Intimate is a new form of fragrance that silkens as it scents. Pour its liquid silkiness all over your body—at the nape of your neck, over your shoulders, the length of your legs, right down to your toes. Feel every lovely inch of you become incredibly soft and intimately scented. Glide "Silk of Intimate" on after your evening bath or shower or anytime-during day or evening.

## Revlon

Revlon introduces the "today fashion" in facewear—

### New Demi-makeups

—the first totally translucent finish for the face . . . for today's soft, soft, softest look. In—

FLOWING CREME MAKEUP  
PRESSED POWDER  
FACE POWDER  
BLUSHING POWDER

The glowing, fresh-faced, naturally youthful look of Demi-makeup will be your's for keeps if you give your skin the benefit of around-the-clock MOON DROPS care.

### MOON DROPS MOISTURIZING CLEANSER

—reaches deep into the pores to cleanse and moisturize.

### MOON DROPS SKIN CONDITIONER-FRESHENER

—normalizes, contains vitamins A, D and E and softening, conditioning oils. Stimulates and tones.

### MOON DROPS MOISTURE FOUNDATION

—provides non-greasy protection against moisture-less under-makeup.

### MOON DROPS MOISTURE BALM

—picks up where Moon Drops Moisture Foundation leaves off to give the skin 24 hours maximum moisturizing.

### MOON DROPS FIRMING FACIAL

—10-minute facial mask, leaves skin firmer and more radiant.

### MOON DROPS LIPSTICK

—actually filled with one-third moisturizers. More than a lipstick — almost a miracle.

### SOMETHING FANTASTIC FROM REVLO:

### Moon Drops Blushing Silk

The first skin moisturizer and blusher — all in one! Bathes the skin in moisture as it babies it in color — a natural for wear under the new Demi-makeup.

### Revlon Private Eyelashes

In two shades: SOFT BLACK and TRUE BROWN. Ready to wear — self-adhesive to go on instantly and perfectly every time.

**District News****CHAMPION**

The Girl Guides made home-made ice cream at their meeting last week, they treated the Brownies and Leaders, and reports were that it was delicious.

Friday turned out to be a perfect day for the local track and field meet, although the rain and snow on Thursday made the prospects look doubtful. The sunshine Friday morning soon dried the track and a very enjoyable day was had by the participants of the various competitions.

Ranger Maureen Close received word that her application had been accepted to go to Expo with other Rangers from the province.

Ranger Guiders recently met with Mrs. Hays, the District Commissioner in Champion, leaders attended from Vulcan, Carmanagay and Champion. Captain Middleton, Lieutenant Hummel, Carol Sletto, Eleanor Hummel, Annalee Middleton and Maureen Close were recently enrolled as Rangers by Commissioner Hays.

Mr. and Mrs. Ernest Harper of Spokane were weekend visitors at the home of Mrs. Grace Harper. Mrs. Bess Siler returned home

last week after spending two weeks with her sister in Portland.

Baseball has gotten underway with the Little League team being defeated in both their games. The Babe Ruth team won both their games.

Jack Howerton recently spent the weekend at the home of his uncle, Man Howerton in Edmonton.

Margaret Miller of Edmonton spent the long weekend at the home of her parents Mr. and Mrs. C. Miller.

**C.W.L. MEETING**

The May meeting of the Champion C.W.L. was held in the church after Mass and installation of the new executive by Father McCallum.

The members decided to discontinue the coffee sessions after Sunday Mass until regular meetings are resumed in the fall. Mrs. Phillip Fath and Mrs. Robert Fath were in charge of lunch for the meeting.

As entertainment after the meeting, Mrs. G. Hummel and Mrs. Bob Hubka gave an interesting report of their attendance at the C.W.L. Diocesan Convention in Calgary. Mrs. G. Ellis also conducted a contest in connection with her educational convener ship.

**WOMEN'S INSTITUTE MEETING**

The meeting of the Champion Women's Institute, met at the home of Mrs. Dunipace on May 17. There were eight members and one visitor present. Vice-president Mrs. Little was in the chair.

Mrs. Miller, sunshine convener reported having sent 10 cards during the past month. None of the members had a birthday this month. Mrs. Sisson delegate from the conference gave a very interesting report. Mrs. Sisson convener of handicraft showed a planter made of tin which was very pretty. The raffle was won by Mrs. Cardwell. Roll call was answered by the members exchanging plant slips.

**MR. MAKEUP IS ON THE MOVE AGAIN**

On a recent visit by Mr. Makeup (John Cox), news of recent makeup items was discussed.

With every season we welcome the refreshing change of color effects and you, like everyone else, like to try them. Mr. Makeup suggests a Basic Makeup Plan. On proper consultation with a cosmetologist you can choose the basic makeup plan which enlightens you on how to harmonize makeup colors with complexion, hair color and costume color. You can get effect with surprising ease in selecting colors. Harmonizing them is the key.

Re-shaping the face with use of cosmetics is the art of illusion, once you know what to do to create the illusion of beauty.

Part of the makeup, foundation and powder, must be chosen to bring out and enhance the lively tones of the skin. Decor is an added thorough use of eye shadow and the new brush eye shadow is easy to use. This, with lip color, brings your wardrobe colors into harmony.

Mr. Makeup says the secret of proper makeup is to have natural looking makeup, and no matter how good the makeup, if you omit the important first step—a clean face—then it is useless. Expression lines around the curve of nostrils to the mouth could be less noticeable through the use of highlighter. Skin care of the neck and throat should not be neglected. Brows are the most expressive part of the face—these should be tweezed to a more pleasing line and, says Mr. Makeup, the word is "tweezed" not "plucked." Only chickens are plucked.

Mr. Makeup will be at Mitchell's and Vulcan Pharmacies on June 8-9 for personal consultations to guide all skin types and ages.

## Make Improvem'ts

(Continued From Front Page)  
made to the staff. He stressed the fact that the teacher situation is very acute this year and that considerable anxiety is prevalent as to whether there will be adequate staff to open school this fall.

Mr. McNiven reported to the council that a special meeting of the Little Bow Municipal Districts Association has been called for Wednesday, May 17, 1967, at 10:30 in the morning at the El Rancho or Park Plaza Hotel in Lethbridge. The meeting had been called for the purpose of studying Bill 50 and any other matters which might be brought before the meeting.

## MUNICIPAL COMMITTEE MEETING

The regular May meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, May 10.

The members of the committee discussed at some length the project of 'straightening' the road south of Arrowwood and the installation of a large culvert which involved the moving of a considerable amount of dirt to maintain the proper grade. It was noted that the inspection of the site had revealed the fact that there was a large amount of rock to move, which would be very costly. The members of the committee decided to inspect the site at the close of the meeting and recommend an alternate route, if thought advisable.

The matter of flooding conditions on the Arrowwood Creek was discussed and it was decided that an application should be made to the Water Resources Department to make a report with a view to instituting some program which would correct this condition.

Bob Comichi of the District Engineer's Office, Calgary, was present at the meeting and consulted with the committee in respect to the 1967 Grant Work Program. It was moved and carried that the program of work for 1967 form the basis of the grant work program, and that the department be requested to prepare the agreement for the projects listed. Specifications for cold mix surfacing on the Lomond and Milo roads were approved and given to Mr. Comichi to form the basis of an agreement with the Department of Highways for the contingency road grant and the ordinary grant work.

It was moved and carried that the county advertise two used light plants for sale by tender.

## Vulcan Unit Emergency Measures Organization

Wholesale panic has not been a common finding in communities faced with a disaster, particularly if a plan exists to deal with a disaster. An organization to co-ordinate efforts to cope with a disaster is a necessity and the E.M.O. fulfills this role.

## CARDS OF THANKS

Congratulations to Ray Speaker on the recent election, a noble effort to John Head, better luck next time. To those who voted for me and my supporting committee, thank you so much. Sincerely,  
— A. W. Ulrich. 43-1p

## CWL To Appoint Two-year Conveners

The May meeting of the Vulcan CWL was held in the parish hall with the director, Father MacCallum, and 10 members present.

The meeting began with the recitation of the League Prayer led by Father MacCallum, followed by the reading of the minutes of the last meeting.

Mrs. Mildred Bagozzi, spiritual convener read a parable from the Bible, then asked the members or the League to enlighten on the thoughts expressed in the parable. Later Father MacCallum corrected and added a few ideas which were not mentioned in the answers received.

Mrs. Margaret J. Shaw recently attended the CWL convention in Calgary and mentioned a few recommendations made at the convention. It was suggested that the CWL membership fee be raised so that more money would be available to work within the club. After a brief discussion, a motion was made to raise the fee to \$2.00 this year.

It was also suggested that con-

venership positions be held for two-year terms and also to try to benefit more from the past conveners experiences.

The meeting was then adjourned by Mrs. Pete Douville. Hostesses for the evening were Mrs. Marcella McKay and Mrs. Pete Douville.

## Home and Family Is Meeting Subject

The May W.S.W.S. meeting was held in the E.U.B. Church basement with Ruby Schierman in charge. The program was about the Home and Family, and that the Cross be the centre of every family.

Two parcels of 22 lbs. each, of bandages were sent to the Philippines. An offering was received for the Mission work in Kentucky. After the business meeting, lunch was served by the hostess and co-hostess.

## THE TWO BEST BEERS IN THE HOUSE!

**Lethbridge Pilsner**

Many people like the happy taste of our own home-grown hops in Lethbridge Pilsner—a blend of several fine brews in the best Bavarian tradition. The brewmaster adds just the right amount of whole grain pearl rice to give a subtle "extra" to the choice barley. Lively-tasting Lethbridge Pilsner, truly satisfying beer!

**Lethbridge lager**

Many prefer the mellow taste of the malt in bright and bracing Lethbridge lager beer—often called "bridge." Here's a naturally-aged, smooth lager brewed with a special yeast culture, then micro-filtered for extra-refreshing clarity and flavor. Bright, thirst-quenching lager beer at its best... that's "bridge!"

### STORM RECOVERY— A SPECIAL PROBLEM

The livestock supervisor for this part of the province, Mr. Gordon Ross prepared an outline of the situation facing the cow-calf operator this spring. We did not suffer the severe losses that were experienced further south but the problems are still very similar.

Mr. Ross said the recent snow storms have created problems that are unique to livestock raisers. How the situation will resolve itself will of course depend on the weather. The current warm temperatures are creating perfect growing conditions and the rapid growth of new grass may create undue optimism.

Many cows still require energy. This means just plain calories or feed. How this feed is supplied will depend upon individual circumstances. Grain or pellets are certainly the most concentrated form of energy and will have the most appeal to the cattle. Hay or even straw can be supplied to advantage to supplement the grass. The new grass is high in protein and vitamins so that these two feed factors should be adequately supplied. Moisture content will be very high in grass at this time so that the total quantity of nutrients available will be low.

A special note should be made of minerals. In addition to the usual requirements for salt, range cows will have a special need for phosphorus. Grass and hay are both low sources of phosphorus and this mineral is needed to build up tissue in the cow herself and to provide milk for the calf. Phosphorus is essential for the proper utilization of Vitamin A. It should be noted that the breeding problems could occur if cows are not built up quickly. It might be wise to delay breeding this year to ensure that the cows are in a thrifty condition. This will lead to a healthier and more uniform calf crop next year. Check with your feed supplier as to the best source of phosphorus for your conditions.

Supplying extra feed to range cows may create another set of problems. Cows may be reluctant to give the extra milk produced if "wind burning" of udders is still a problem. The extra milk may cause digestive disturbances in the calves.

The whole situation calls for special watchfulness. Any cows or calves that are not progressing satisfactorily should be given special treatment. Start raising the quantity of any extra feed gradually. See that all cows are being milked dry. Field work may be making demands on your time now but any extra time that can be spent with the cattle now will pay off in the fall or next spring.

**WEED ESSAY CONTEST**  
 With all the moisture we've had this year it should be easy to get a number of inspirations when writing about weeds. As you probably remember there is an Annual Weed Essay Contest sponsored by the County of Vulcan No. 2 and the N.C.W.C.C. This contest is open to any boy or girl, living in Alberta who is 12 years of age and will not be over 18 years of age on December 1st, 1967 where the family are farming.

The County of Vulcan No. 2 has a prize of \$25.00 for first, \$15.00 for 2nd, and \$10.00 for 3rd. Now if your essay is the best in the province of Alberta you will win \$25 as an additional prize. And if you have the best essay of any entered you will win a \$300 scholarship.

Sounds good, you bet, start thinking now and making notes on what you're going to write. The contest closes October 1 1967. By the way N.C.W.C.C. stands for North Central Weed Control Conference.

Prater and family of Calgary. Mrs. Prater's mother Mrs. McMullen passed away last week in Calgary. Mrs. M. Pearson who has been visiting in Edmonton returned home on Wednesday.

The grades 3 and 4, 5 and 6 classes in Brant school have formed a Junior Red Cross Group.

The monthly meeting of Grades 3 and 4 class of the Brant Junior Red Cross was held recently with president Miss Sherry Hall in the chair. The groups have been doing well in their efforts to make money by holding white elephant sales, etc. When the weather warms up they will be having a cool-aid sale at the school.

Mr. and Mrs. Don Olsen and son were visiting at the home of Don's parents Mr. and Mrs. E. R. Olsen over the weekend.

Mr. and Mrs. P. Gallagher and Danny attended parents night of the 122 Lincoln Park Cub Pack in Calgary on Tuesday, May 16, where Don was a special guest of the pack.

Mr. and Mrs. Haz of Lethbridge spent a few days at the home of their son-in-law and daughter, Mr. and Mrs. Chas Rhodes last week. Miss Doreen Rhodes, RN of Calgary was visiting at the home of her brother Chas Rhodes and Mrs. Rhodes recently.

Mr. and Mrs. E. Green, Mr. and Mrs. F. Olsen, Mrs. H. Bateman and Mrs. J. S. Dixon of Brant, Mrs. E. Bateman of Calgary, Mrs. J. McKay of Calgary and Mr. and Mrs. Alf Lawson of Duchess all formerly of Brant attended the Devaney Platt and Clifton Walters III wedding reception in Taber on May 17. Devaney Platt is the daughter of Mr. and Mrs. Lyle Platt who one time resided here.

Mr. and Mrs. P. Gallagher and Danny spent the last weekend at Sundre visiting with Mrs. Gallagher's father Mr. Jackson and her sister Mrs. Jean Overguard, also attending the Sundre Centennial Celebration at which Mr. Jackson was guest of honor for the day, being the oldest resident at this time of the Sundre district.

### HOME AND SCHOOL MEETING

The regular meeting of the Brant Home and School Association was held in the school May 3 with a good attendance. Mrs. P. Gallagher reported that the Junior High Students would be touring a Research Laboratory, a modern Packaging Plant and the Canadian Imperial Oil Company with a fried chicken dinner being provided by the latter. The county was to provide transportation expenses.

Mrs. Ruark, Mrs. Stinson, Mrs. Holoboff, Mrs. Gingrass, Mrs. Bateman, Mrs. Auld, Mr. and Mrs. Rhodes volunteered to canvass on behalf of the Blitz for Retarded Children. Two letters were read from Senior Citizens thanking the Home and School members for the

program put on at the previous meeting. Mrs. Rhodes advised that pictures taken by Karl Christoferson would be sent to the visiting old timers in appreciation of their participation and attendance.

George Edmunds Region Director from the Canadian Council of Christians and Jews spoke briefly on the purpose of the organization. He then showed a film on the Canadian Indians and a brief discussion period followed.

Lunch was served following the meeting.

### CARMANGAY

Mrs. Lena Auch of Pentticon, grandmother of Don Auch and aunt of Mrs. Glen Church passed away recently in that centre. Mrs. Auch was a resident of the Barrhill district before making her home in B.C.

Mrs. Joy Bentley and grandson Thomas Wright of Calgary were Victoria weekend visitors with her parents Mr. and Mrs. Syd Thompson. Mr. Thompson is now home after a lengthy stay in hospital.

Mr. and Mrs. Delmar Volk and girls of Kaslo were guests of Mrs. S. Volk for the holiday weekend. Congratulations are extended to Father Brian Hubka who was ordained on May 27, in St. Mary's Cathedral in Calgary.

The County Centennial Choir and additional guest artists will be presenting a Variety show "Songs of the Century," in the Carmangay School auditorium on Saturday, June 3 at 8 p.m. The choir is made up of singers from all over the county and performed at the Caravan site on May 22. The choir is directed by Mrs. Barbara Hwozdecki with Mrs. L. Baldwin accompanist.

Mr. and Mrs. K. Nelson entertained over the weekend. Guests included the latter's mother Mrs. M. Steadman of Clive, and brother-in-law and sister, Mr. and Mrs. Norman Seiger and family of Edmonton.

Misses Dorothy Pfeifferle of Sacramento, Calif., and Miss Florence Pfeifferle of Puyallup, Wash., are house guests of their brother-in-law and sister Mr. and Mrs. F. Hubka. They were here for the ordination of their nephew Father Brian.

### WEST COUNTRY WOMEN'S CLUB

The West Country Women's Club held their meeting on May 17 at the home of Mabel Clark.

Final plans were completed for the Centennial reunion of club members to be held on June 3 at the Ivan and Velda Ohler home in Claresholm.

The June meeting will be held at the home of Anne De Valois. Kathy Auch won the hostess prize, while Kay Greer received her polyantha gift. Lunch was served by the hostess.

### NORTH PRISCILLA CLUB

The May meeting of the Club was held at the home of Violet Davies with 10 members and two visitors present. The creed was repeated in unison and roll call was answered with gardening hints.

Discussion was resumed as to the age of the club. It was thought that the club was probably organized about 1911, and is probably the oldest club in Alberta. It was decided that the Club would be responsible for the meal and the decorating of the tables at the Senior Citizens' Banquet which is to be held in connection with the Centennial Day celebrations.

Thankyou notes were received from several senior citizens who had received Easter cards from the club. Thanks were expressed to Mrs. G. Anderson for her donation to the club funds. Members are reminded that Mrs. E. Anderson

will receive Cancer Crusade Books and money when canvassing is completed.

It was decided the club enter a float in the Centennial Day Parade. The business part of the meeting was then adjourned and members settled down to a game of bingo. The raffle was won by Mrs. Lydia Anderson. Lunch was served.

Next meeting of the club will be held at the home of Mrs. Elnora Anderson on June 21, 1967.

## Great Falls Honeymoon For Arrowwood Bride

The Arrowwood United Church was the scene of a pretty pre-Easter wedding on March 18 when Susan Joyce, youngest daughter of Mr. and Mrs. Stewart Hayes was united in marriage to Marvin Edward, elder son of Mr. and Mrs. Edward Schalin of Olds. Rev. Mervyn Lutes officiated at the ceremony.

Given in marriage by her father, the bride wore a traditional floor-length gown of white nylon organza trimmed in rose patterned lace applique. Her matching finger-tip veil was held in place by a small cluster of nylon flowers and also orange blossoms from her grandmother's wedding veil. Her bouquet was red rose-buds and white stephanotes.

The bridal attendants were Miss Pat Giles, maid of honor, Miss Debbie Schalin, sister of the groom and Miss Susan Kerr as bridesmaids. They wore identical street-length sheath gowns of turquoise taffeta with nylon overskirts and matching headpieces. Their bouquets were white carnations entwined with yellow ribbon. The little flower girl Laurie Binning, niece of the bride wore a white lace frock over yellow taffeta with matching headpiece. She carried a small basket of yellow rose-buds. The bride was also preceded by her small nephew Brian Leadbeater as ring bearer. He was attired in a navy blue suit and carried both rings for the double ring ceremony.

Attending the groom was his brother Norman Schalin. Ushers were his cousin Dennis Kriger and Ron Hayes, only brother of the bride.

Organist for the wedding was Mrs. Elmer Bolinger, aunt of the bride. Before the ceremony Mrs. Don Laing sang "The Wedding Prayer" and during the signing of the register "O Perfect Love."

For her daughter's wedding Mrs. Hayes wore a beige brocaded knit suit with pink accessories and a corsage of yellow rose-buds. Mrs. Schalin, the groom's mother chose a silver-grey suit with blue and black accessories. Her corsage was deep pink rosebuds.

Following the ceremony a reception for over a hundred guests was held at the Arrowwood Community Hall with Duane Binning, brother-in-law of the bride, as master of ceremonies and the invocation was given by Rev. E. L. Thiesen of Olds. The guest book was in charge of the bride's sisters Lois Leadbeater and Carolyn Binning. The head table was trimmed in turquoise and centered with a three-tiered wedding cake, made and decorated by Susan's mother. The toast to the bride was proposed by Walter Leadbeater, brother-in-law of the bride, and ably responded to by the groom. Marvin's father then thanked Mr. and Mrs. Hayes for the lovely wedding reception. Miss Karen Bateman assisted the bride's sisters in serving the wedding cake to the guests.

Musical entertainment at the reception was provided by two young ladies, Miss Debbie Schalin
